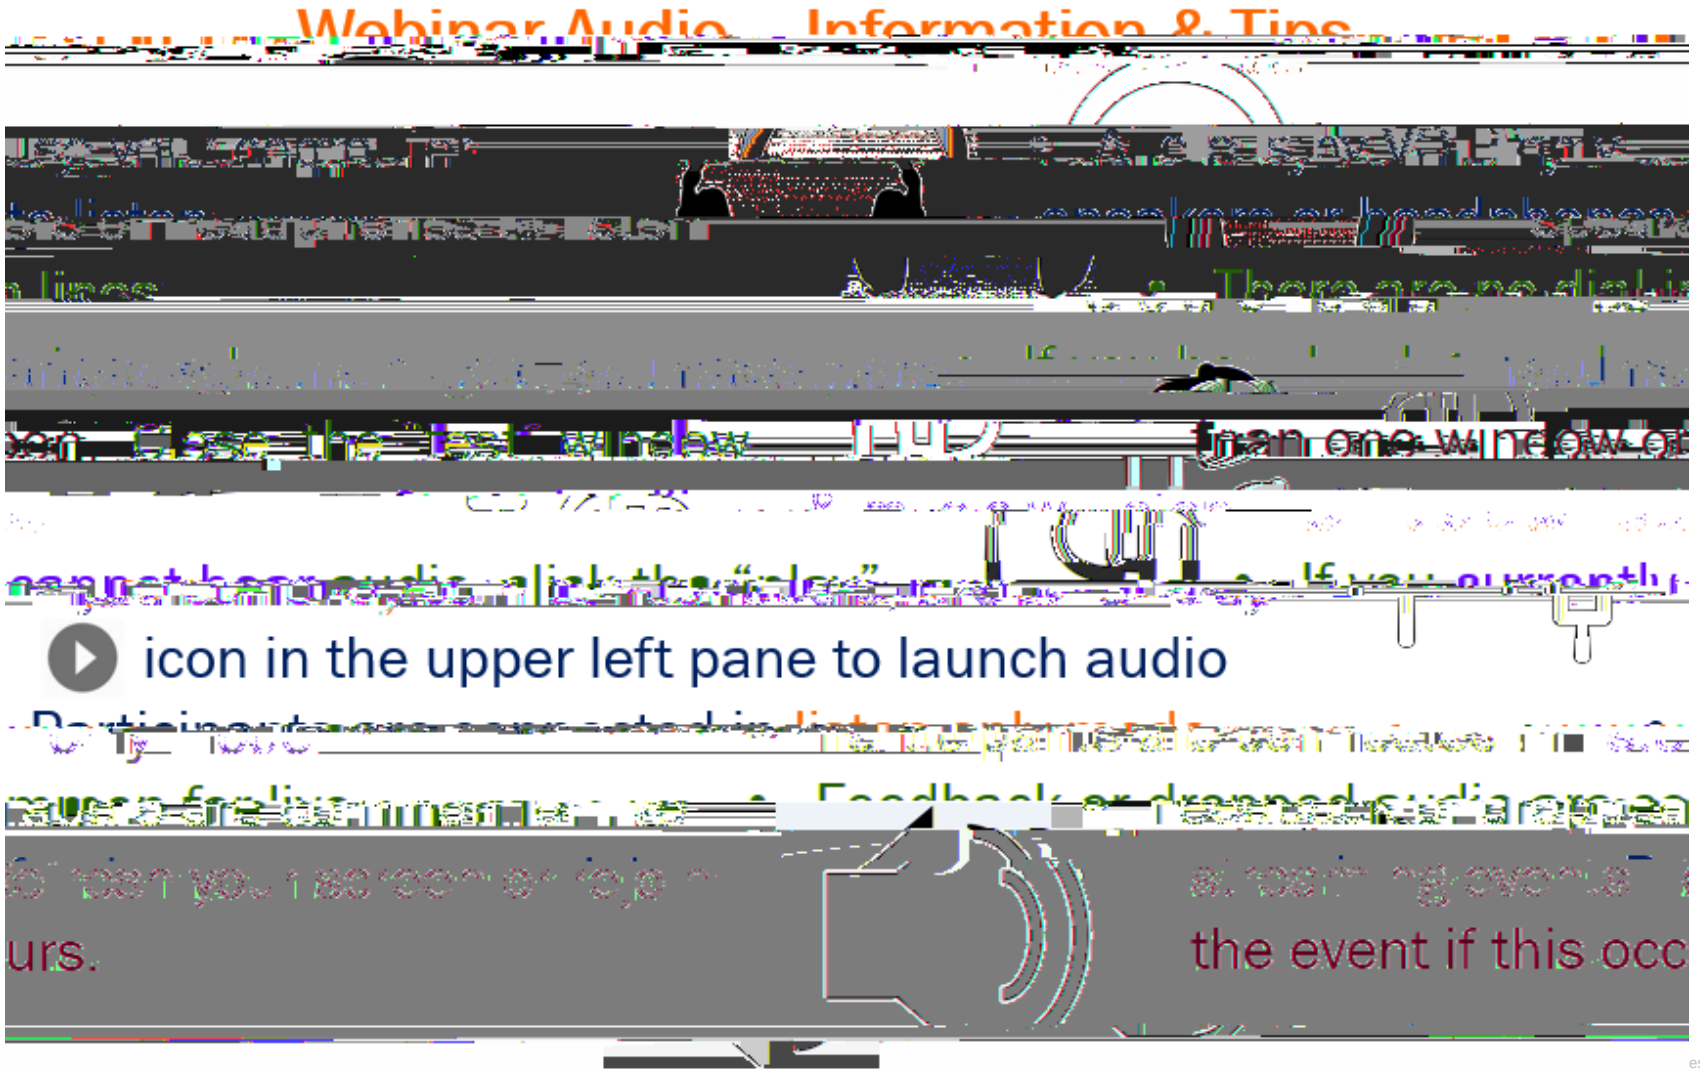
Suicide Prevention Webinar: Implementing the Safety Planning Intervention

The Joint Commission



eserved.

The Joint Commission

Background

- National Patient Safety Goal 15.01.01 (EP6), effective July 1, 2019 requires counseling and follow-up at discharge, such as safety planning
- Suicide prevention safety planning is more than filling out a form
- This webinar focuses on Implementing the Safety Planning Intervention (SPI)
- SPI, developed by Barbara Stanley PhD and Gregory K. Brown PhD is recognized as a best practice by the Suicide Prevention Resource Center and is evidence-based (Stanley et al, 2018)

The Joint Commission

Session objectives include:

1. Describe the rationale for the Safety Planning Intervention and the evidence supporting its use
2. Describe the types of healthcare settings, timing and appropriate candidates for the intervention
3. Provide an overview of the clinical tasks involved in conducting the Safety Planning Intervention
4. Describe potential barriers and facilitators for successful implementation
5. Recommend resources for further dissemination and implementation
